"Fair play is bonnie play."

CONCERNING THE GAME.

ITEMS OF INTEREST.

By "Wideawake."

In one way the matches of last Saturday were spoiled by the rain. At Fitzroy the battle served to show that, although Essendon were victorious, their form was not of the quality that wins premierships—and very often club games.

* * *

As dull and uninteresting an exhibition of football as I have seen this season—duller and far less interesting than most. That is a short but fitting description of the game.

* * *

If Melbourne people were disappointed, what about the angry visitor from Ballarat? I came across him on the tramcar in the mad exodus from Fitzroy on Saturday evening.

* * *

He was in the humour which drives some men on going home to throw flat irons about the kitchen and to smash crockery. "Fancy," he said, "coming from Ballarat to see such a game. It was not football at any stage. I've never seen a poorer game at Ballarat. It's a waste of money to see such stuff."

* * *

One must be fair, however, to the players, and it should not be forgotten that the conditions were not favourable to the best football, for the rain and mud were factors which contributed to the poorness of the play.

* * *

The game was not without its excitement and incidents that are not desirable. There was some hitting, and it has come to be almost an accepted thing for an Essendon-Fitzroy match to provide something of the sort.

It was in the last quarter that Essendon made a series of straightout attacks on goal, and beat the 'Roy almost pointless.

* * *

St. Kilda, who caught Essendon in much the same poor form as was shown at Fitzroy, and so beat them, failed to maintain the winning spirit, and Melbourne got a run on in the opening quarter. Points on the board—gained and scored—are always better than points to be obtained. Especially is this so on a wet day. Melbourne had those points, and kept them. Their play was determined and fast, and their victory was well merited.

* * *

Closely contested was the South-Collingwood match. Had the day been fine, it would have been a great exhibition; as it was, it was a poor and uninteresting display. The closing quarter saw stubborn football. South the winners.

* * *

Geelong and Richmond are deemed dangerous on their own grounds. Richmond accordingly looked forward to a victory on Saturday, because they were on their native heath. They kept the game crowded, and did very well, but Geelong were a wee bit straighter in their shooting, and three goals off the reel in the last quarter brought about the downfall of the home team.

* * *

Richmond lost an opportunity of making the match with Geelong safe early in the last quarter, when, getting a run on, they fumbled the ball time after time when almost on the point of scoring.

Carlton were too powerful for University, whose position at the final change of ends seemed hopeless, inasmuch as Carlton held a lead of practically six goals. However, the students fought it out gamely, and made the last quarter interesting, although they could not avert defeat.

* * *

Carlton did not show anything like the clockwork game of the previous Saturday. They fumbled a good deal, and their passing was badly judged.

* * *

There was one striking feature in connection with the Carlton-University match that is worthy of recording. Carlton scored the highest number of points registered in League matches on Saturday, and University obtained more points than any other beaten team, while their score was bigger than any put up by any winning team except Carlton.

* * *

Harmonious relationship does not exist in one of the clubs, and there is a ripple of discontent which promises to

develop into a raging torrent of trouble unless wise counsels prevail.

* * *

Some players are as vain as beauty actors, and unless they are well in the limelight they sulk and fret. On Saturday, in a spirit of consideration, the committee of one of the clubs decided to play a ruck man in a place, in order to lessen the strain on him for the day, especially as the result of this match was not regarded as doubtful. The way the player viewed the situation was childishly ungrateful, and he could not have been more vexed than a woman becomes when her enemies publicly announce her age.

* * *

Ballarat people are anxious for the Geelong team to play a match in the city of statues for the benefit of the Worn Out Miners' Fund. Last year nearly £100 was realised by such a match. It has been arranged that Geelong meet a Ballarat team on 6th July, the day on which Victoria and South Australia play in Melbourne.

* * *

Free kicks recorded for the "Record" on Saturday by Bob King, Fitz-

roy's veteran enthusiast:—Fitzroy, 11, 9, 7, 12; total, 39. Essendon, 10, 4, 12, 11; total, 37.

* * *

Mr. J. Arrowsmith, one of the Fitzroy delegates, received a letter after the Collingwood match, containing the drawing of a tomb, the headstone bearing the inscription:

Sacred to the Memory of
Fitzroy,
who expired at Collingwood, 8/6/12.
Done to death; he did his best.
Erected by a loving admirer.

* * *

When the League discussed Mr. E. Kennedy's motion for the appointment of an independent tribunal to deal with reports by officials against players, it was defeated only by reason of the fact that a statutory majority was not in favour of it. On Friday night, however, one of the erstwhile opponents expressed his opinion in favour of the idea, and Mr. Kennedy is going to have another shot at it.

* * *

Kalgoorlie Railway team is coming to Victoria in August.

An objectionable feature has been introduced by one or two of the clubs in the matter of delaying too long at the first change of ends. The introduction of refreshment and rubbing down at this stage may become a habit if not checked. Already too much time is wasted. Says President McCracken: "We ought to start up to time, and the half-time interval should not be extended beyond a quarter of an hour. I think there is a lot of unnecessary rubbing down."

* * *

The carnival matches in Adelaide last season showed how wonderfully the South Australians have improved. The Victorian League is bestirring itself, and has drawn attention to the necessity for players when chosen to stand by the League. Mr. L. Thompson thinks that if men are chosen they should be com-

mighty Essendon—and who is now an earnest and painstaking delegate from the club to the League, also shares the opinion that players should appreciate the honour of being selected by playing when chosen.

THE FOOTBALL RECORD.

A busy little warrior is Heinz, of Geelong. He was a conspicuously good performer at Richmond, but Billy Eason, the skipper, was the best man in the Geelong colours.

Excellent work, full of dash and cleverness, was McKenzie's characteristic on the wing at St. Kilda. Harris and Bristow were also prominent performers.

matches has been concluded, and each club has met the other this season. How they fared in their first matches will thus be seen at a glance on page 31.

When Shaw received a smack on the face, a large number of people in

dianship of O'Shea had to be handed over to H. Heron. The Fitzroy lad is a cool player, but he has not the skill and experience of the speedy Essendonian, whose long, driving kicks were of service to the red and black.

Collingwood v. Melbourne, at Collingwood: Field, Elder; boundary, Ince and Dykes; goal, Collis and Chapman; Steward, Myers.

Freeman was a valuable man for Geelong against Richmond, solid and reliable every time.

* * *

The reform party at Richmond is delighted at the manner in which Billy Burns is justifying their claims for his inclusion in the team. He was great again on Saturday, excelling time after time.

* * *

Their magnificent work against Geelong once again demonstrated the force of the contention that Bernie Herbert and James are two of the best League ruckmen this year.

* * *

In fair weather or in foul (such as Saturday's, with its rain and slush), Hedley Tomkins stands out as the champion rover, notwithstanding the claims of the Carlton contingent on behalf of Valentine, and Essendonians on behalf of Cameron. The latter is wondrously clever this year, but, day in and day out, for general usefulness and consistent brilliancy, the laurel wreath must go to Melbourne's No. 11, which all "Record" readers know by this time stands for H. Tomkins. He was chief star in the Saints match.

PLAYERS AND PEOPLE TALKED ABOUT.

By "Chatterer."

Mr. W. Knight, one of the Geelong delegates, has been appointed manager of the League team that goes to Bendigo on July 3rd.

* * *

Tom Willoughby usually wears a grey felt hat. On Saturday he had on a boxer. It is wonderful what a difference a little thing like that made. During the half-time interval the Fitzroy doorkeeper saw the hat, and politely intimated that strangers were not admitted to the dressing-room. When he saw the smile, that could not be disguised even by a bell-topper, he noticed his mistake. The door flew open wide, and the apology, "Tom, I didn't recognise you," was not necessary.

* * *

Essendon's play at Fitzroy was, if anything, little better than against St. Kilda. The only satisfaction to their supporters was that they beat Fitzroy.

* * *

How the goals were scored at Fitzroy last Saturday:—Walker (Ess.), Freake, Freake, Caine, Wells, Caine, Caine, O'Shea, Baring, Kirby, Walker.

* * *

Essendon had to go through the last quarter without the services of Martin, who was laid out for a good while.

* * *

Carlton worked the ball nicely to Challis, who was usually well out on the wing unattended. The ex-Tasmanian, however, was not so successful as in the two previous matches.

* * *

Valentine was the pick of the basket for the dark blues, being to the fore in most of the dashes goalwards. "Vallie" is a grand type of footballer,

always keen and earnest, and never letting an opening pass without taking advantage of it. Dick, Jamieson, McDonald, McGregor and Wells were perhaps the best of the others.

* * *

Bamford, Norris, McLennan, Shaw, Strownix and Hutton were easily the best of Fitzroy's players against Essendon, for whom one might say the bulk of the work was done by Ogden, White, Belcher, Cameron and Busbridge. On neither side, however, was there conspicuous brilliancy.

* * *

An awkward mistake with disastrous consequences was made by Bill Walker on Saturday. In the third quarter Essendon was attacking. Walker seized the ball and ran right across goal. He bounced the ball and missed it. Caine tore up and toed it through goal.

* * *

In the absence of Cooper on Saturday Walker captained the Fitzroy team.

* * *

Essendon, being without its usual full back (Bert Armstrong) at Fitzroy, found a difficulty in filling the place. Three men at different times had to do the sentry duty, Caine being first man on guard. Later he was one of the attacking party, and bagged three goals. Yet his play is not like what it once was.

* * *

G ("Mallee") Johnson is out of football harness on Saturdays since he left the Melbourne City (Association) club. I saw him at the Essendon-Fitzroy match on Saturday.

* * *

If Eicke, of St. Kilda, had not played against Essendon, so an Essendon man tells me, an effort would have been made by Essendon to induce him to play for the latter team.

ADDRESS

54 MARKET ST., MELBOURNE

Richmond have cause to congratulate themselves in having induced the Geelong lad, Ellingsen, to play for the yellow and blacks. He showed considerable smartness in his first game in League company, which, curiously enough, was against his own townsmen.

* * *

Cochran from Kensington way, made a promising first appearance with Collingwood against South Melbourne. When the youngster takes the magpie polish he should prove a very useful member of the old bird brigade.

* * *

It would seem that Jack Green has dropped the faults of pushing and clinging to opponents. His play against South Melbourne showed evidences of distinct improvement. He was the best of the backs.

* * *

Unquestionably the best man on the Collingwood side at South Melbourne was Jim Sadler, who is hereby awarded the diploma of Collingwood

Man of the Time for Saturday. He had to fill the vacancies caused by the absence of two Percies—Gibb and Wilson. Both lads were injured—Gibb on Saturday week, and Wilson on Saturday. When Sadler was pitted against Caldwell he more than held his own, and, when roving and forward, he was equally successful.

* * *

Accidents were plentiful in Saturday's games, and the injured were:—Buist and Parratt (Fitzroy), Martin and O'Shea (Essendon), Wilson (Collingwood), Marchbank and Moran (Carlton), Grimshaw (South Melbourne), Thomas (St. Kilda), and Fitzpatrick (Melbourne). I trust that all will be seen in the field again in full health and strength before long.

* * *

As fine a game as any at South Melbourne, and better than most, was that of Bert Franks. He marked and kicked superbly. It was not a kid glove and gilt-edged cigarette engagement, but Franks played a cool, even-tempered game.

The BEST and only the BEST !

WHAT CHAMPIONS REQUIRE.

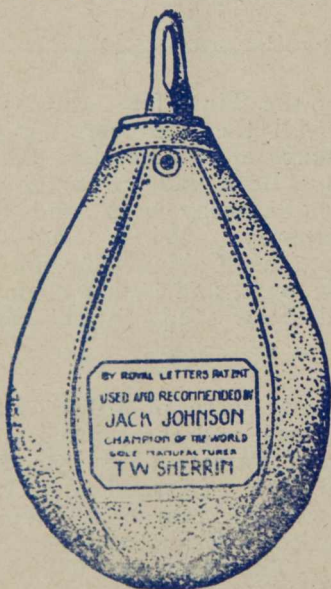

It is only natural that for the great and glorious Australian game the best of Australian goods should be manufactured by the best Australian maker.

T.W. SHERRIN

Acknowledged by all sporting institutions and champions,

BOXING, CRICKET, and FOOTBALL,

as the leading manufacturer of Australia. Testimonials as to the superiority of his sporting goods have been unhesitatingly given by the world's champions who have visited Australia from time to time during the last twenty years.

JACK JOHNSON, the world's champion pugilist, pronounces Sherrin's boxing gloves and punching balls better than any he has used in England or America. And the champion has used many in fighting his way to fame.

DICK LEE, who was for years the champion goal-kick, bears testimony to the superiority of the Sherrin ball.

The Footballers' Favorite.

The footballer has yet to be found who does not give the palm to the Sherrin ball as the best that can be kicked. The "Kangaroo" brand on each is the trade mark registered throughout the Commonwealth.

League clubs prefer the "Kangaroo" brand, and no club is considered complete without its supply of Sherrin's best.

THE AUSTRALASIAN FOOTBALL COUNCIL.

ever since the Interstate matches have been played have insisted on the use of the "Kangaroo" brand ball, and in the great carnival in Adelaide last year the pleasure of the players was increased by the knowledge that they were using balls from the Sherrin factory.

SHERRIN'S ATHLETIC GOODS

have won distinction at international and Interstate industrial exhibitions, among the awards being the Prize Medal and First Order of Merit in Adelaide, 1881; First Order of Merit, Melbourne, 1879-80; and the Diploma of Merit, Centennial Exhibition, 1888-89.

Obtainable at all the leading Sporting-goods Warehouses throughout Australia.

Hurrey, who took Doig's place in the centre, filled the position with credit. George Elliott, Greenham and Gray were consistent defenders. The little rover, Graham, should make a clever footballer in time.

Moran got many chances to score for Carlton, but missed a number of ridiculously easy shots, some from a distance less than 20 yards away. Triplett played a dashing game, and Bowen and Marchbank performed

A. McKenzie, Melbourne's Brilliant Wingster.

Carl Willis marked in great style for 'Varsity. In the first half he was one of the most conspicuous on the ground. Brake was once more a champion for the students, who were dazzlers and schoolboys at different periods.

well in the same department, though the tall forward kicked miserably.

* * *

The two "Harrys"—Lever and Hattam—proved stumbling blocks to Melbourne's advance. St. Kilda were ably served by them.

THE FOOTBALL RECORD.

THE VERY LATEST.

Carlton are taking no risks in their game at Geelong. Though Marchbank and Moran are out through injuries, Wilson and Green will be down from the country. Vin. Gardiner has quite recovered, and will make his reappearance, and Clancy will be in again.

* * *

University will play Shelley in place of Nicholson this afternoon. This is the only alteration in the team which played last Saturday. Primrose hurt his ankle on Thursday, and his place will be taken by Stevens.

* * *

Buist, with a rupture, Dowell, Abbott and Collins are out of Fitzroy's team. Their places will be filled by Cooper, Holmes, Campbell (who is well again), and Lenne. H. Heron will play on the wing.

* * *

Melbourne have included Politz, Allan and George in their team against Collingwood. They take the places of Cope, Hickey and Lane.

Wilson's place as rover will be filled by Gilchrist. Shorten, after a lengthy spell, is again available, and will play half-back, and Gibb and Gray will be in to-day. Ambler, Parkinson and Seddon are standing down.

Gibson and Bowden, having recovered from their recent injuries, will resume their place in Richmond's team. O'Donoghue and Woodhead are out.

* * *

Pat Shea, in place of Walker, is the only alteration in Essendon's team for this afternoon.

* * *

South Melbourne will have Walsh in the team to-day, in place of Grimshaw, whilst Casey will take Deas' place amongst the forwards.

* * *

Morrissey will lead St. Kilda to-day, but their sterling little rover will be missed. He hurt his shoulder last week. Martyn, Cave and Baird will also be playing.

* * *

Bant and Fairbairn make room for A. Eason and Healy in Geelong's team to-day.
